## Where's Your Sharia?

**Dr Nick Sutton** Ph.d., B.A. (Hons) **of the Oxford Centre For Hindu Studies**

One of the traditional functions of religion has been to provide communities of believers with rules and guidelines that dictate how they should live their daily lives, the most obvious examples being Islamic Sharia and the Jewish Law. But what rules are Hindus obliged to follow and is there any source they can look to for guidance on matters such diet, marriage, sexuality, personal relations etc? In this talk, Nick Sutton will explore these questions and the different answers to them that might be considered.

The Oxford Centre for Hindu Studies is an institute for the study of Hindu culture, religion, languages, literature, philosophy, history, arts, and society, in all periods and parts of the world.
