

FRIENDS OF THE
OXFORD CENTRE
FOR HINDU STUDIES

LEICESTER

Bhagavan, Brahman and Paramatma

In this presentation Nick Sutton will consider the different ways in which the Hindu tradition provides insights into the nature of God, looking at both the teachings of the Vedas and the ideas of some of the major acharyas. After looking at the principal doctrines, we will consider whether there is a consistent Hindu theology and what implications are to be drawn from the apparent diversity of doctrines found within the extensive purview of Hindu Dharma.

Talk given by

Dr Nick Sutton Ph.d., B.A. (Hons) of the
Oxford Centre For Hindu Studies
