Yamuna's Plight

Some "Fluid Reflections" on Nature and Hinduism

With consideration of the Yamuna River's sacredness and present polluted condition as a starting point, we will make some observations about Hindu presuppositions about human relations to nature: Purity and pollution, the Bhagavad-gita's discussion on the "modes of nature" (the gunas), and of course dharma are key themes in articulating a viable theological basis for Hindu environmental activism.

Talk given by

Dr Kenneth Valpey of the
Oxford Centre For Hindu Studies

Organised by Friends of OCHS (Leicester)

Date: Saturday 19th June 2010

Time: 7.00pm to 9.00pm
Followed by refreshments

Venue: Jalaram Community Centre, Narborough Road, Leicester LE3 0LF
